

Testimonial

Attending the Motivational Mindset Movement seminar was a much needed encouragement tool. God has given me many gifts and there are times it appears I am alone in them. The gifts are NOT necessary for ME but for others. To try and do them alone can make one feel as though perhaps God's voice is not always heard. But God has a reason and a season for all things. The seminar, Angela Marie Jones-Braggs, reminded me of that. Angela's testimony reminded me of how God speaks and has spoken to me in unusual ways at times. If the opportunity ever presents itself for you to attend one of her seminars, please do so. It will encourage you, spiritually AND inspire you to NEVER give up!!! Trust God! Keep pushing!!! This is, "My Yes Year"!!! To God be the glory and THANK YOU AJ, Life Strategist, Motivational Speaker!!! Great job!
